Modular Workshop Equipment System 2024

Valid from **01.09.2024 to 31.01.2025**

COMPLETO COMPATIBLE

kraftwerktools.com

KRAFTWERK is a **Swiss company** that manufactures high-quality hand tools, workshop carts, and workshop equipment. Since 1979, this family-owned business has been successful in attractive segments such as automotive, agriculture, construction, and industry, as well as hobby craftsmanship.

The **Mobilo workshop equipment from Kraftwerk offers a high-quality solution that meets the individual needs** of our customers in every aspect. Whether you're a hobbyist or a professional craftsman, with the Mobilo workshop, you have the opportunity to optimize your work environment and work efficiently.

Our Mobilo workshop equipment is a **modular system** that can be assembled according to your requirements. From the depth of workbenches to the material, module combinations, and inserts – you have full control.

Our **online 3D web configurator** allows you to easily plan your desired workshop from home or at the dealer. With this interactive tool, you can visualize and create your preferred workshop.

Through **innovative and sustainable products, KRAFTWERK aims to provide the best solution for every requirement** and secure its success in the long term. The corporate values of KRAFTWERK place great emphasis on partnerships and customer satisfaction. The company strives to develop tools that become every craftsman's favorite.

The company will continue to **develop and produce innovative solutions** to further expand its position in the tool industry.

Welcome to Mobilio Deep
The innovative solution for your workshop!

Kraftwerk proudly presents **the latest development/expansion**, available since the end of 2023: **deep work surfaces** for a more personalized/flexible Mobilio workshop.

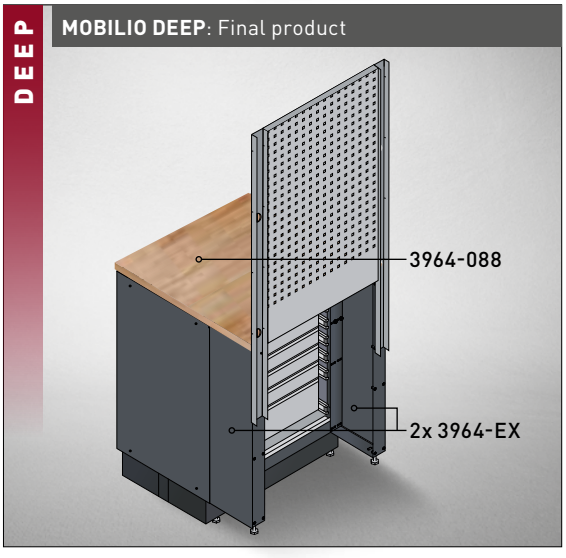

These new work surfaces, made of high-quality beech wood, provide the user with **the decisive advantage of a deeper workspace**.

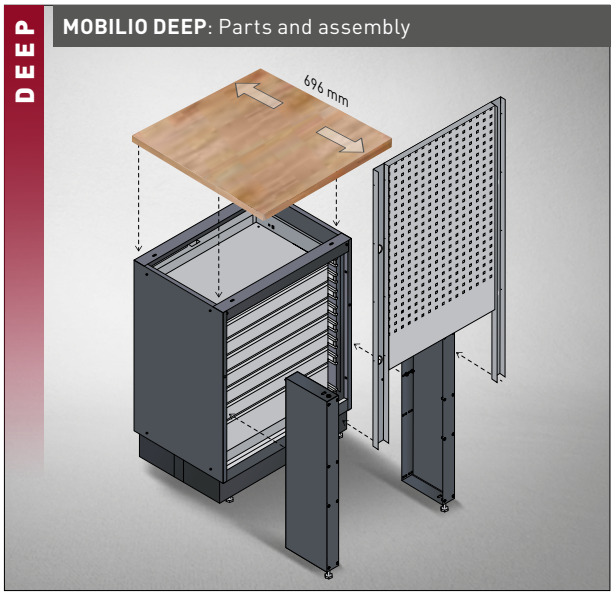

With **dimensions** of H 2000 x W x **D 696 mm**, they create a **spacious and comfortable working environment**.

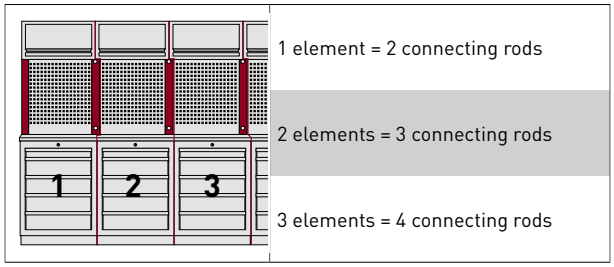

The easy assembly is effortlessly done in combination with standard base cabinets through the use of extension brackets.

Discover the **various combination possibilities** presented in our brochure and **optimize your workflows** with Mobilio Deep!

BEECH MULTIPLEX

- Made of several layers of peeled veneers (connected with an adhesive)
- Veneers are laid crosswise
- Material: beech wood
- High strength & dimensional stability
- Natural look

STAINLESS STEEL 430

- Density: 7.70 g/cm³
- Ferristic steel
- Chromium content of 17%
- Good corrosion resistance
- Good polishability
- Good resistance to water, water vapour, humidity
- Good resistance to weak acids and alkalis

Modular Workshop Elements | empty

To assemble according to your own needs. Free-standing construction, no fasteners necessary and therefore very flexible to set up. Each module can be ordered individually. Drawers with ball bearings in different heights, with central locking and individually lockable.

With our One-Key solution, it is possible to retrofit all locks with the same lock number so that only one key is needed.

Depending on the area of application, different worktop models can be selected depending on the application: Beech Multiplex/Wood | Stainless Steel 430.
